

## Pa's Fiddle

Color and cut out Pa's fiddle. Poke a small hole in the top near the end of the strings, and another hole on the bridge of the strings.

Using two brads, adhere the fiddle to your lapbook. Then wrap a rubberband around the brads (to make strings for the fiddle)

Sing the song "Pop goes the weasel" and let your children "Pop" the strings at the right time.

### Pop Goes the Weasel

A penny for a spool of thread,  
Another for a needle,  
That's the way the money goes....

POP! goes the weasel.
