Needs & Wants

.....Do we need it? Or do we want it?

This is a difficult one.

We fall into that big pit.

Why do we get things we don't need.

Is it just wanton greed?

Spare a thought for those

who have neither.

They don't have the choice either.....

-Andrew Pell

Talk with children about
Wants and Needs.

Have them list things that
they think of.

Glue the poem on the outside cover.
